

OXYGEN AND ACETYLENE GAS WELDING, HEATING AND CUTTING KIT

Application

The Tesuco oxygen/acetylene gas welding kit fully meets the requirements of AS 4839. Its component parts also meet this standard and/or the individual standards specific to their specifications. Importantly, the kit includes both regulator and torch end flashback arrestors, an integral part of AS 4839.

Inclusions

The oxygen/acetylene gas welding kits have the following components:

- | | |
|--|--|
| (1) Oxygen Regulator | (1) Acetylene Regulator |
| (1) Set Oxygen/Fuel Regulator End FBAs | (1) Set Oxygen/Fuel Torch End FBAs |
| (3) Welding Tips (Sizes 10, 12 and 15) | (1) Heating Head |
| (3) Cutting Tips (Sizes 8, 12 and 15) | (1) Blowpipe |
| (1) Mixer | (1) Cutting Attachment |
| (1) Twin Oxy/Acetylene 10m Hose | (1) Welding Goggles |
| (1) Set of Tip Cleaners | (1) Multi Purpose Spanner |
| (1) Flint Gun | (1) Roller Guide with Circle Cutting Bar |

Component Part	Relevant Standard
Regulators	AS 4267 – Pressure regulators for use with industrial compressed gas cylinders
Flashback Arrestors	AS 4603 – Flashback Arrestors – Safety devices for use with fuel gases and oxygen/compressed air
Welding Tips	AS 4839 – requiring “marking of supplier name clearly on the body”
Heating Head	AS 4839 – requiring “marking of supplier name clearly on the body”
Cutting Tips	AS 4839 – requiring “marking of supplier name clearly on the body”
Handle	AS 4839 – requiring “marking of supplier name clearly on the body”
Mixer	AS 4839 – requiring “marking of supplier name clearly on the body”
Cutting Attachment	AS 4839 – requiring “marking of supplier name clearly on the body”
Twin 10m Gas Hose	AS 1335 – Hose and hose assemblies for welding, cutting and allied processes

Part No	Description
GWKOA	Oxygen/Acetylene Gas Welding Kit
	RC1BOX10 Oxygen Bottom Entry Regulator 0 – 1,000 kPa Outlet
	RC1BAC1.5 Acetylene Bottom Entry Regulator 0 – 150 kPa Outlet
	GwthOA05 Twin Oxygen/Acetylene Hose 5 Metres
GwthOA10	Twin Oxygen/Acetylene Hose 10 Metres
GwthOA15	Twin Oxygen/Acetylene Hose 15 Metres
	GWWH01 Blowpipe
	GWMI10 Mixer
	GWCA01 Cutting Attachment
